## WELCOME TO NAPLES, ITALY AND THE AFN FAMILY!

I am your Navy Family Ombudsman. There are many opportunities here in Naples, and I hope to share the advantages of being involved in this community. As an Ombudsman, I am designated to serve as a communication link between the command leadership and the command family, in addition to being a trained information and referral specialist. Ombudsmen are advocates, ready to support, direct, and empower you and/or your family with all available resources.

### HOW I CAN ASSIST:

- Information on community events & recreational opportunities
- Education Resources
- Referrals and resources for childcare, counseling, budgeting, loans, financing and more!
- Information on military resources
- Maintain confidentiality to protect your privacy unless mandatory reporting\* is required

If I do not readily know the answer, I am committed to finding answers and resources for you. I look forward to providing assistance, as needed, during your time as part of the AFN family!

Please do not hesitate to reach out for anything.

Sincerely,

Adriana Torres
