

Installation Advisory Committee

The Installation Advisory Committee (IAC) fosters communication, facilitates problem-solving and recommends action to appropriate officials. This committee meets four times each school year.

Matters that are within the jurisdiction of the IAC include:

- Quality, availability, maintenance, safety, security and comfort of the physical school environment
- Transportation of students
- School meal program
- Medical services
- Administrative and logistical support services provided by the relevant installation commander and the military department command concerned.
- Policies and standards of the relevant installation commander and the military department concerned.

The IAC does not address matters pertaining to personnel policies or practices, compensation of school staff, grievances of school employees for which another forum exists or internal management of DoDEA or DoDEA programs.

Agenda items may be emailed to NaplesSLO@eu.navy.mil. Items for attention not on the agenda may be included in the public comment portion of the meeting and may be discussed but any action may be deferred until the next meeting.

The final agenda shall be available in the school office and the base commander's office one week before the meeting date.
