GENERAL INFORMATION

The NSA Naples Golf Course is one of the most unique Golf Courses in the world. It's located inside an extinct volcano! Don't worry, the volcano isn't a fiery caldron of lava, in fact the Golf Course has been described as a cool, green oasis. There is a challenging nine holes course and the golf program also includes: a driving range, a putting green, a pro shop and a restaurant. We offer open play, plenty of tourneys and lessons for all ages. The pro shop rents carts and golf equipment and also sells a full line of golf apparel. The Golf Manager is a PGA Professional.

- ALL PLAYERS MUST REGISTER IN THE PRO SHOP BEFORE STARTING TO PLAY.
- All players must present a daily receipt, issued from the pro shop, to the starter and/or the course Marshall upon request. **FAILURE OR REFUSAL TO PRESENT AN APPROPRIATE RECEIPT WHEN REQUESTED MAY REQUIRE THE INDIVIDUAL TO IMMEDIATELY LEAVE THE COURSE.**
- Players making the turn onto the number 1 tee box, after completing number 9, have priority over those individuals starting to play. If more than one group is waiting on the first tee, groups turning from the ninth green will alternate with groups on the first tee, until the tee is clear of waiting groups. All play will begin on the #1 tee unless approved by the Golf Course Staff.
- The golf course is for playing golf. Practicing on the course is not allowed. The driving range facility is available for practice.
- Players who delay at any tee for any reason,

PLAY (Cont'd.)

and are not ready to continue their play when the fairway is clear, will lose their priority if a group behind them is ready to play through. These players may only continue with the permission of the Course Manager or the pro shop staff.

- All players should post their scores in the handicap computer every time they play eighteen holes on the course. Any nine-hole scores should be combined with the next nine-hole scores they play and posted in the handicap computer.
- **EACH PLAYER MUST HAVE A SEPARATE SET OF CLUBS AND A GOLF BAG.**
- Foursomes normally have priority on the course. Singles or pairs are permitted at the discretion of the starter, but cannot lodge a complaint to play through, if they are delayed by a larger group. As a matter of course etiquette, any group that is slow or that is having difficulty should allow faster groups/players to play through.
- Groups larger than four are not permitted on the course without the approval of the Manager.

The pace of play for nine holes of golf has been reasonably set for **2 HOURS FOR NINE HOLES**. It is highly recommended that any player who can not score better than 115 strokes for 18 holes should be playing from the Green Tees.
