WELCOME TO NAPLES, ITALY AND THE FDRMC FAMILY!

I am your Navy family ombudsmen. Having lived in Naples for over three years, I have experienced many of the highs and lows that come with living abroad and being a part of this community. As an Ombudsman, I am designated to serve as a communication link between the command leadership and the command family, in addition to being a trained information and referral specialist. Ombudsmen are advocates, ready to support, direct, and empower you and/or your family with all available resources.

HOW I CAN ASSIST:

- Information on events & recreational opportunities
- Education resources
- Referrals for childcare, counseling, and more
- Info on military, civilian, and contractor resources
- Command information
- Resources on budgeting, loans, and financing
- And much, much more...

If I do not readily know the answer, I am committed to finding answers and resources for you. I look forward to providing assistance, as needed, during your time as part of the FDRMC family! Please do not hesitate to reach out for anything and don't forget to have you and your spouse join the FDRMC Ombudsman Facebook group.

MANDATORY REPORTABLES:

- All suspected child abuse and neglect
- All alleged domestic abuse
- All suspected or potential suicide risks
- All life endangering situations
- All alleged sexual assault

Sincerely,

Cheyenne Whitney
