

Mozzarella Farm

Learn the process of how the "King of Campania" cheese, mozzarella di bufala, is made. Watch as "i casari", the cheesemakers, create the exquisite porcelain-white, silky soft cheese. This process has been passed down over the centuries. You will have a chance to taste fresh mozzarella and other hand-made specialties on site. If you'd like, you can purchase various products directly at the farm. This is a great family tour!
